Interior

[Click Here for Virtual Walk-thru](#)

Interior Configuration: This Custom Twelve (12) passenger Aft Interior features a crew jump seat, left-side forward crew vacuum lavatory opposite a forward crew rest area, aft main vacuum lavatory, and aft baggage compartment. The fireblocked interior features a forward 4-place club, a mid cabin 3-place divan opposite and single seat and executive workstation, and an aft-cabin left side 4-place conference group opposite a credenza. The entry area and fwd-cabin is separated by an electric pocket door.

Crew Compartment: Forward: A Crew Compartment is located on the righthand side of the vestibule, forward of the main cabin. This compartment features a single seat with leg rest and berthing capability, an electrically operated console table, a pocket door, and a privacy switch.

Cabin Management & Entertainment: The Gulfstream Cabin Management System (GCMS) includes wireless touch-screen passenger control units (iPod Touch), as well as other control interfaces to provide crew and passengers access to the various cabin systems such as environmental, electric window shades, and entertainment.

Galley: Aft: The galley features dual coffee makers, a microwave, a convection oven, a countertop with pullout work surface, a sink with faucet, dual ice drawers, a refrigerator with freezer, and multiple dedicated and miscellaneous storage drawers and compartments.

Lavatories: Forward & Aft: The forward left-hand lavatory features a vanity with sink and faucet and a vacuum toilet. The aft lavatory has a vanity with sink and faucet, a vacuum toilet, and a storage cabinet.

Exterior

Overall White with Red & Blue Accent Thin Striping
